Sivertsen, Molly Jozefowski, Alexandra Vatzakas, Melissa Malinky

1. Review Meeting Minutes from 10/05/2022- done

2. Chair goals:

a. Increase membership- 50 members we know of- good representation of APP/

Allied Health at AABIP conference

b. Talk with allied health members

3. Report from Education Committee –new chairs: Colleen and Ara

a. Webinars – none currently in process

- Goal is bi-annual

b. Rebecca Priebe - Spring conference April/May— 1/2 day Sat or Sun- with Pulmonary APP group leader Corinne- lots of speakers available- 1 hr each- 4-5 speakers- all virtual - meeting with Corinne this week.

c. Next APP challenge-Colleen has invited us to join Fellow challenge- team group of APPs- modules- monthly starting February- will come through AABIP emails. Feb topic- Pulmonary Nodules

d. APP Mentorship- focus on this after AABIP conference.

Sharing resources & reading list –Rebecca

i. Allied Health/APP toolkit now on website

IP APP written curriculum update- Curriculum training program- each IP procedure broken down- process of publishing it- available February

ii. Education committee- goal to have webinar/video with each IP procedure BLVR, EBUS, specimen on a slide, thora's, etc- will tie into curriculum

iii. George Chang- interested in patient education videos for patients- anyone interested in a collab?

iv. Chest annual conference

- 2023- Hawaii

• AABIP annual conference- conference Chicago-August 24-26- Sheraton Riverwalk- 6 different tracks- pleural disease, education (sim) fellowship training, etc

v. Investigate CME offerings to members on lectures

- ? CME ½ day activity for RT/RNs/Coordinators- still pending

4. Molly Jozefowski PA working with AABIP Diversity Committee - sent out

SWAT analysis- any other topics- reach out to Molly for her to bring to the group

5. Report from Networking and Membership –

- General email: AABIPforAPP@gmail.com

- AABIP website: managed by AABIP admins- Brittany and Amy- send requests early

- Email blasts – Brittany and Amy/ AABIP admins/ Rebecca

- Telegram group- IP and Bronch welcome – 300 members- will post challenging cases, APP/allied health subgroup

- Create a mentorship APP program after curriculum creation complete - tabled. Goal

2023 after AABIP in August

New idea: Create a “nerd out” T-shirt slogan for “I’d tap that.” “Got nodules?” Etc, or maybe badge reel? Got ideas? Submit to AABIP?

6. Molly’s Common Ground meetings- one event so far Mid November on pulmonary nodules- 100% positive surveys! (3/3), next event Feb 15th 2023

a. Topics- 5 min presentation then discussion- next is Pleural Effusions, future options: persistent air leak, Pleur-X catheters management strategies, burn out

b. Timing

c. How much talk vs discussion- 30 -60 min

d. People to be involved

e. How to get the word out- survey for topics through AABIP to start

7. Next chapter meeting: April 19th 2023 at 8pm- discuss AABIP conference

8. Any other business: none

5. Meeting end: 855pm
